BLACK SANDS OF THE PACIFIC SLOPE, UNITED STATES. 1905.

<u>Item Number</u>	<u>Description</u>
NO-08384	Envelope with the “third report of progress” on the investigations of black sands, including tables showing composition per ton of black sand samples from various locales. Samples are from locales in these states: Alaska, California, Idaho, Montana, Nevada, Oregon, Utah, and Washington. Sample serial numbers P62 – P113 (some numbers missing), P120, P130, P147, P443. Also, correspondence dated 1905 regarding continued funding for the work, and funding for an experimental plant at the Concentrating Pavilion of the Geological Survey at the Lewis and Clark Centennial Exposition (1905), Portland, Oregon.
