Location of Field Notebooks: CS-6: 11

GEOLOGY OF THE STORM HILL 7.5' QUADRANGLE, CROOK COUNTY, WYOMING. 1955-1957.

<u>Item Number</u>	<u>Description</u>
NO-00866	G.A. Izett. Field notebook 1 with geologic notes and stratigraphic section and radiometric traverse data related to field investigation of the Storm Hill 7.5' quadrangle. 1955, 1957.
NO-00867	G.A. Izett. Field notebook 2 with geologic notes and stratigraphic section data related to field investigation of the Storm Hill 7.5' quadrangle. 1956.
NO-00868	G.A. Izett and P.D. Lohman, Jr. Field notebook 1 with geologic notes related to field investigation of the Storm Hill 7.5' quadrangle. 1956.
NO-00869	G.A. Izett and R.C. Vickers. Field notebook 1 with geologic notes and drill hole data related to field investigation of the Storm Hill 7.5' quadrangle. 1955.
NO-00870	G.A. Izett and R.C. Vickers. Field notebook 1 with geologic notes and drill hole data related to field investigation of the Storm Hill 7.5' quadrangle. 1956.
MA-00224	Map folder with reproduction of the north half of the Storm Hill 7.5' quadrangle, with geologic annotations. The reproduction is enlarged to a scale of approximately 1:12,000.
MA-03062	Map folder with 53 items: <ul style="list-style-type: none">- Map folder with two annotated reproductions, each in 17 sections, of the Storm Hill 7.5' quadrangle. The reproductions are enlarged to a scale of approximately 1:12,000.- Three sheets of analysis data related to rock samples taken in Crook County, Wyoming. 1956-1960.- Three sheets of correspondence related to use of oil company drill hole data in USGS field investigations. 1960.- Seven sheets of drill hole strip log data from the Storm Hill 7.5' quadrangle and vicinity. 1955-1956.- Electrical log printout and accompanying sample description for the Petroleum, Inc. #1 Holmes well, Crook County, Wyoming. 1957.

Published as: U.S. Geological Survey. Miscellaneous investigations series map I-372. 1963.

GEOLOGY OF THE HOT SULPHUR SPRINGS AND KREMMLING 15' QUADRANGLES, GRAND COUNTY, COLORADO. 1961-1972.

NO-03355 G.A. Izett and D.L. Hoover. Field notebook pages with geologic and stratigraphic

section notes and survey data related to field investigation of the Hot Sulphur Springs 15' quadrangle. Stations DA1-1 through DD5-8. 1961.

- NO-03356 G.A. Izett and D.L. Hoover. Field notebook pages with geologic and stratigraphic section notes and survey and sample data related to field investigation of the Hot Sulphur Springs 15' quadrangle. Stations DE1-1 through DF6-22. 1961.
- NO-03357 G.A. Izett, C.S.V. Barclay, and A.A. Wanek. Field notebook pages with geologic and stratigraphic section notes and survey and sample data related to field investigation of the Hot Sulphur Springs 15' quadrangle. Stations CA1-1 through CF6-9. 1962.
- NO-03358 Document box with nine folders containing a total of 199 black and white aerial photographs, some with annotations, covering the Hot Sulphur Springs 15' quadrangle. 1950-1954 surveys.
- NO-03359 Document box with six folders:
- Folder 1. Group of analysis results sheets for samples taken in the Hot Sulphur Springs and Kremmling 15' quadrangles.
 - Folder 2. Group of 30 annotated field sheets, composed of enlarged reproductions, printed on drafting film, of portions of the Hot Sulphur Springs 15' quadrangle.
 - Folder 3. Group of sample description and statistical analysis sheets related to field investigation of the Hot Sulphur Springs and Kremmling 15' quadrangles. 1961-1962.
 - Folder 4. Group of mechanical analysis data sheets showing heavy mineral content in samples from the Hot Sulphur Springs and Kremmling 15' quadrangles. 1961-1962.
 - Folder 5. Group of referred fossil reports and other data and memoranda related to fossil occurrences in the Hot Sulphur Springs and Kremmling 15' quadrangles. 1961-1966.
 - Folder 6. Miscellaneous correspondence related to field investigation of the Hot Sulphur Springs and Kremmling 15' quadrangles. 1962-1971.
- NO-06520 G.A. Izett. Field notebook 1 with geologic and stratigraphic section notes and sample data related to field investigation of the Hot Sulphur Springs 15' quadrangle. 1963.
- NO-06521 G.A. Izett, W.H. Laraway, and R.R. Cunningham. Field notebook 2 with geologic and stratigraphic section notes and sample data related to field investigation of the Hot Sulphur Springs, Kremmling, and Fraser 15' quadrangles. 1963.
- NO-06522 G.A. Izett and A.M. Thompson. Field notebook 1 with geologic and stratigraphic section notes and sample data related to field investigation of the Hot Sulphur Springs and Kremmling 15' quadrangles and the Granby and Trail Mountain 7.5' quadrangles. 1964.

- NO-06523 G.A. Izett and R. Trengove. Field notebook 1 with geologic and stratigraphic section notes and sample data related to field investigation of the Kremmling and Hot Sulphur Springs 15' quadrangles and the Granby 7.5' quadrangle. 1965.
- NO-06524 G.A. Izett. Field notebook 2 with three pages of stratigraphic section notes related to field investigation of the Kremmling 15' quadrangle. 1965.
- NO-06525 G.A. Izett. Field notebook 1 with geologic and stratigraphic section notes and sample data related to field investigation of the Kremmling and Hot Sulphur Springs 15' quadrangles. 1966.
- NO-06526 G.A. Izett. Field notebook 2 with geologic and stratigraphic section notes and sample data related to field investigation of the Kremmling 15' quadrangle. 1966.
- NO-06527 G.A. Izett. Field notebook 3 with geologic and stratigraphic section notes and sample data related to field investigation of the Kremmling 15' quadrangle. 1966.
- NO-06528 G.A. Izett. Field notebook 1 with geologic and stratigraphic section notes and sample data related to field investigation of the Kremmling 15' quadrangle. Also included are notes on trips to the Castle Rock and San Juan Range areas, Colorado. 1967.
- NO-06529 G.A. Izett. Field notebook 2 with geologic and stratigraphic section notes and sample and well data related to field investigation of the Kremmling and Hot Sulphur Springs 15' quadrangles and the Whiteley Peak 7.5' quadrangle. 1967.
- NO-06530 G.A. Izett. Field notebook 3 with geologic notes and sketches and sample data related to field investigation of the Kremmling 15' quadrangle and the Whiteley Peak 7.5' quadrangle. 1967.
- NO-06531 G.A. Izett and R. Trengove. Field notebook 1 with geologic and stratigraphic section notes, sample data, and annotated photographs related to field investigation of the Kremmling and Hot Sulphur Springs 15' quadrangles. Also included are notes from Moffat County, Colorado, Daggett County, Utah, and Converse County, Wyoming. 1968.
- NO-06532 G.A. Izett. Field notebook 1 with geologic and stratigraphic section notes, sample and well data, and annotated photographs related to field investigation of the Kremmling and Gore Pass 15' quadrangles and the State Bridge 7.5' quadrangle. Also included are notes on other locations in Fremont and Chaffee Counties, Colorado. 1969.
- NO-06533 G.A. Izett. Field notebook 2 with five pages of geologic and sample notes related to field investigation of the Kremmling 15' quadrangle and the State Bridge 7.5' quadrangle. 1969.

- NO-06534 Envelope with 1973 report sheet on referred fossils from the Kremmling 15' quadrangle and 1968 memorandum with analytical test data for nodule samples from the Pierre Shale in the Kremmling 15' quadrangle.
- NO-06535 Expandable envelope with 68 black and white aerial photographs, some with annotations, covering the Kremmling and Hot Sulphur Springs 15' quadrangles and vicinity. 1950 survey.
- NO-06536 Expandable envelope with 66 black and white aerial photographs, some with annotations, covering the Kremmling and Hot Sulphur Springs 15' quadrangles and vicinity. 1955-1956 surveys.
- NO-06537 Expandable envelope with 56 black and white aerial photographs, some with annotations, covering the Kremmling and Hot Sulphur Springs 15' quadrangles and vicinity. 1953-1954 surveys.
- MA-01013 Map folder with 30 items:
- Copy of the Kremmling 15' quadrangle, with geologic annotations.
 - Two reproductions of the northwest portion of the Kremmling 15' quadrangle, with added data points and other notations.
 - Group of 18 annotated field sheets, composed of enlarged reproductions, printed on drafting film, of portions of the Kremmling 15' quadrangle.
 - Group of 8 annotated field sheets, composed of enlarged reproductions, printed on drafting film, of portions of the southern half of the Kremmling 15' quadrangle.
 - Unidentified geologic sketch map.
