**DAVID L. WEIDE**  
(1936 - 2008)

NOTES, CORRESPONDENCE, PAPERS

1977 - 1979

(5 map folders)

David L. Weide earned a B.S. degree in geology from California State University, Los Angeles, and M.S. and Ph.D. degrees from the University of California, Los Angeles. During his career he served as geologist with the USGS, Senior Museum Scientist at the UCLA Department of Geology, geologist with the University of California Archaeological Survey Office, staff member of the National Science Foundation European Projects Office, and Professor of Geosciences at the University of Nevada, Las Vegas, where he served as Department Chair from 1989 to 1993. He retired in 2004.
